**TO WHOMSOEVER IT MAY CONCERN**

We have been using **QUADRA** -The Construction Enterprise Resource Planning (ERP) Solution from March 2003. We have benefited from the integrated ERP features of **QUADRA**. It has helped us in the areas of the Planning, Control and Execution of all our construction projects. **QUADRA** has also helped us in streamlining Receivable management and Client relations and useful during the scale up for the pre and post IPO requirement. The MIS reports of **QUADRA** have been a valuable tool for us in Executive decision making.

We are satisfied with the quality of support Quadra Software Solutions are rendering. They ensured that **QUADRA** constantly scaled up to match our business growth over these years.

We wish Quadra Software Solutions all the success in their new ventures and strongly recommend **QUADRA** to all construction companies who are looking to strike a balance between consistent growth and business control with the help of Information Technology.
